

MEMORANDUM

SEPTEMBER 8, 2008

TO: PHYSICIANS LABORATORY CLIENTS

**FROM: KACEY MORELAND, MBA
DIRECTOR OF MARKETING**

SUBJECT: REFERENCE LAB/TEST NUMBER CHANGE

There are a few previously offered tests we were able to send to other reference laboratories in order to reduce your cost; however, new test numbers had to be created so previous test results would not be compromised. They are as follows:

Note: Changes are in "bold" and will take effect October 1, 2008

Old Test #	New Test #	Test Name	Specimen Requirements	Reference Lab	CPT code
845	9773	Cyclosporine	2.0 mL Whole Blood, EDTA, ambient	UNMC	80158
1611	9781	ANCA with reflex	1.0 mL serum, refrigerated	ARUP	86255; if reflexed 86256, 83516x2
9221	9782	MPO/PR-3 (P-ANCA)	1.0 mL serum, refrigerated	ARUP	83516x2
9386	9778	H.Pylori Breath Test	UBIT Breath Collection Kit – Call Send Outs	ARUP	83013
